We are commonly known as “The Hornets” and are a community club with a group of dedicated committee members and families constantly striving to improve our club. We have ongoing funding from a local licensed club and we rely heavily on the continual raising of funds to reinvest in many areas of the club to improve the facilities for members. This includes; playing strips, training equipment, coaching development, facilities development and the costs of ground hire.

Harrington Park Soccer Club was formed in 2002 by a small group of dedicated local residents who wanted to make soccer (football) more accessible to the residents of Harrington Park and its surrounding areas.

In its inaugural year the club consisted of approximately 40 members. This included both junior and senior teams as well as coaches, managers and support staff who were driven and committed to helping the club move toward a direction of success. The club had only one goal in mind, and it wasn't to be the biggest in size but the best in quality! They wanted the Harrington Hornets to be the club that everybody wanted to be associated with.

In 2010, due to the development of Harrington Grove and the changing face of Football in Australia, the club was renamed to:

Harrington United Football Club (HUFC)

As a result of continued hard work, community and family culture as well as a passion for success. The club can boast that in 2023, we had strong representation competing in the Macarthur District Football Association with over:

- 900 members and 54 teams (20 competition teams and 34 mini teams).

This includes both male and female teams and across a number of ages from U6's through to Over 35's.

A testament to all who are involved in the club.

In 2022, our on-field results were outstanding. Particularly our female teams. As is evident with the Hornets U14 girls and U18/21 ladies. Both of which have made the final of the Champion of Champions competition, resulting in our U18/21 ladies being crowned Champions.

In 2023, our M League Reserves team and M League Colts teams were crowned Minor Premiers.

In 2022, Harrington United Football Club celebrated 20 Years in community football. An outstanding achievement by all those that are dedicated to seeing the club continue to flourish.

MISSION STATEMENT

-  To develop and promote physical activity and positive social interactions for children. To encourage them to be part of the community through playing the game of soccer (football). In particular with an emphasis on sportsmanship and positive encouragement.
-  To increase self-esteem and self-importance for children and as a result, reduce the likelihood of children participating in anti-social behaviour.
-  Provide an opportunity for players with a natural talent to be developed to their full potential before moving to representative levels.
-  To provide facilities and equipment for training and playing that enhances the football experience for all members.

OUR SOURCE OF INCOME

As a community club we are reliant on generating our income internally to cover the costs of operation, maintenance and equipment to run the club effectively. In doing so, we aim to run as many fundraising campaigns and welcome donations and sponsorships. These means of raising funds can radically help continue the longevity of the club as well as provide the quality resources and facilities that we aim to provide.

Currently our sources of income include:

- Merchandising
- Canteen and BBQ
- Registration Fees
- Fundraising, which include trivia nights and raffles
- Sponsorship

2024 SPONSORSHIP

How can you help?

Sponsorship is an integral component of the Harrington United Football Club. It is a means of keeping the cost of registration affordable for members and their families. As with success also comes expense.

To help achieve our goals we need your financial support and in return we commit to providing your level of sponsorship that will give you advertising exposure in the broader Macarthur area, from Glenfield to Tahmoor. Most importantly you are contributing towards providing an ongoing opportunity for local junior and senior players in building a sporting community within a great game.

Who knows you may be helping develop a future Socceroo or Matilda?
