Known proudly as “The Hornets,” Harrington United Football Club (HUFC) is a thriving community club built on the dedication of volunteers, families, and players. Sponsorship and fundraising are vital to our success, helping us reinvest into player kits, training equipment, coaching development, facilities, and ground hire — ensuring the best experience for all members.

Founded in 2002, HUFC has grown into one of the largest clubs in the Macarthur District Football Association. In 2025, we proudly fielded 900+ members and 65 teams across MiniRoos, Juniors, All Age, MSAP, and M-League.

A key focus for HUFC is the growth of female football. In 2025, we had 135 female players — a 17% increase from 2024 — with females now making up nearly a quarter of our membership.

MISSION STATEMENT

To develop and promote physical activity and positive social interactions for children. To encourage them to be part of the community through playing the game of football. In particular with an emphasis on sportsmanship and positive encouragement.

To increase self-esteem and self-importance for children and as a result, reduce the likelihood of children participating in anti-social behaviour.

Provide an opportunity for players with a natural talent to be developed to their full potential before moving to representative levels.

To provide facilities and equipment for training and playing that enhances the football experience for all members.

OUR SOURCE OF INCOME

As a community club we are reliant on generating our income internally to cover the costs of operation, maintenance and equipment to run the club effectively. In doing so, we aim to run as many fundraising campaigns and welcome donations and sponsorships. These means of raising funds can radically help continue the longevity of the club as well as provide the quality resources and facilities that we aim to provide.

Currently our sources of income include:

- Merchandising
- Canteen and BBQ
- Registration Fees
- Fundraising, which include trivia nights and raffles
- Sponsorship

2026 SPONSORSHIP

How can you help?

Sponsorship is an integral component of the Harrington United Football Club. It is a means of keeping the cost of registration affordable for members and their families. As with success also comes expense. To help achieve our goals we need your financial support and in return we commit to providing your level of sponsorship that will give you advertising exposure in the broader Macarthur area, from Glenfield to Tahmoor. Most importantly you are contributing towards providing an ongoing opportunity for local junior and senior players in building a sporting community within a great game.

Who knows you may be helping develop a future Socceroo or Matilda?
